SENIOR HIGH SCHOOL
OF ANDERSON, INDIANA
DURING THE YEAR 1941.

EDITED BY SAM WILCOX

WITH COVER DESIGN
BY EDGAR HEWITT

The
Promenade

Education for Everyday Living

Is everyone ready to go on this trip through the "land of education"? I've been waiting for you, so if you are ready we'll start on our tour of Anderson High School.

Notice the atmosphere of youthful activity in the halls. Let's join the front hall promenaders.

Guidance
Committee

Languages

In the auditorium is the Senior Dramatics Class. Here is where the characterization of Henry Aldrich started. Around this corner we find a Latin classroom. Perhaps we can learn more about the great Cicero.

Dramatics

Latin

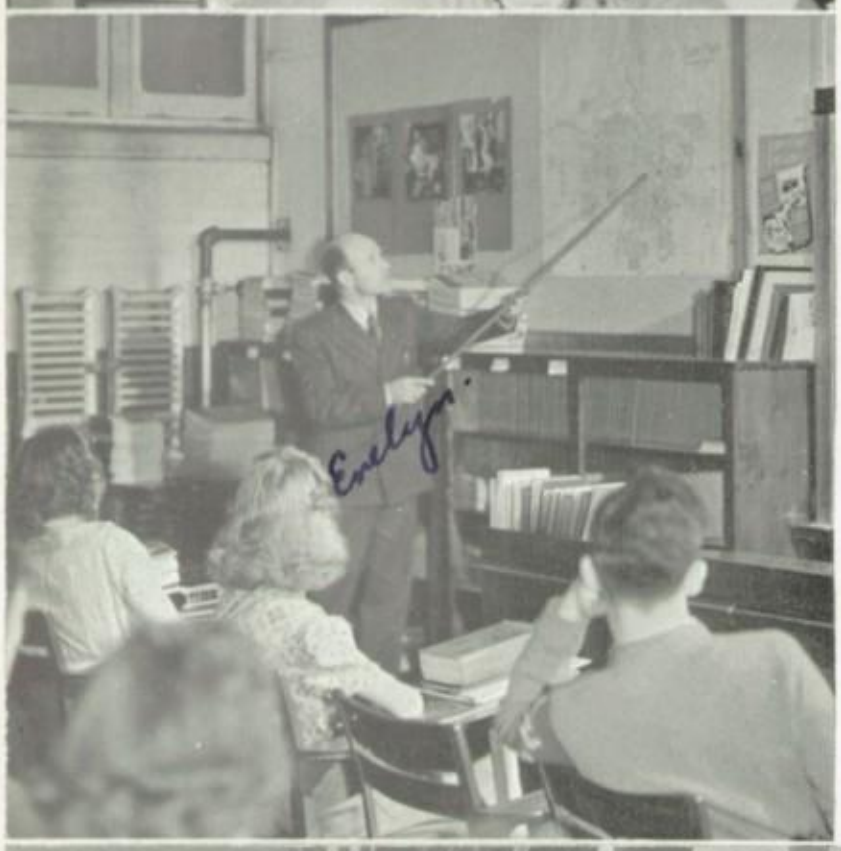
Literature

Library

Shall we glance into the library and perhaps browse among some of the books?

The Sciences

Biology



Safety

In the new annex are found the science rooms. Here we can learn anything from the parts of a skeleton to driving a car and even making a mixture of chemicals that

Chemistry

smells worse than gas fumes.

The square of this quantity plus the square of something else equals the volume of some sphere—or so they say in solid geometry. We can also hear the same queer language in the household physics class.

Geometry

Household Physics

Social Sciences

"We the people of the United States" —perhaps you can remember when you had to learn these great words. In the civics class we learn about the

Civics

American Problems

management of our governments.

The American family, the problem of crime, our economic problems, and international relations of the U. S.—all of these are thoroughly discussed in American Problems class.

Art---Music

Let us turn our eyes toward the art department. Here we can find great masterpieces of A. H. S. students.

Going from the main building we find the music annex and here we dis-

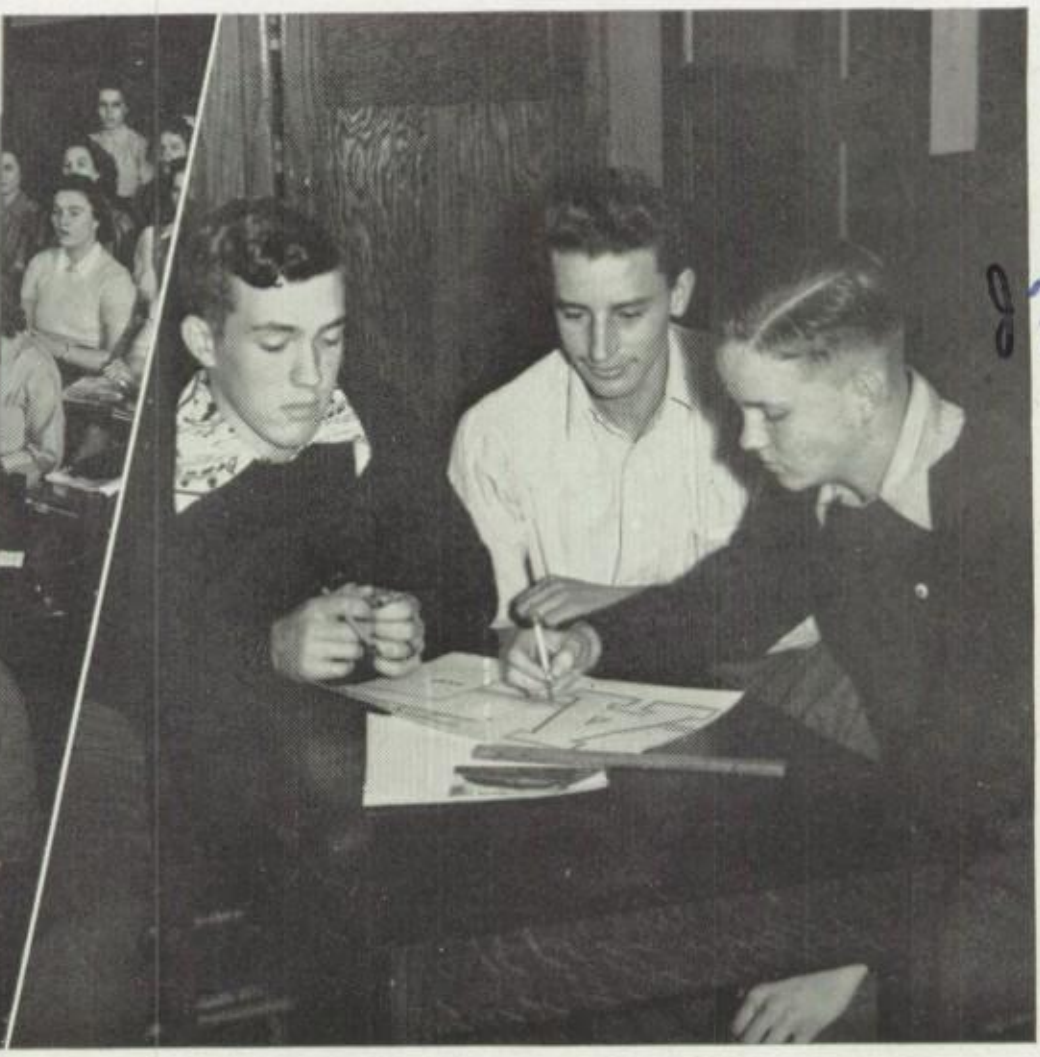
Art Design

Band

cover the band and glee club. Grab a drum or a bass horn and join in! If you are sure you have the right key we might try a song or two with the glee club.

Glee Club

Art

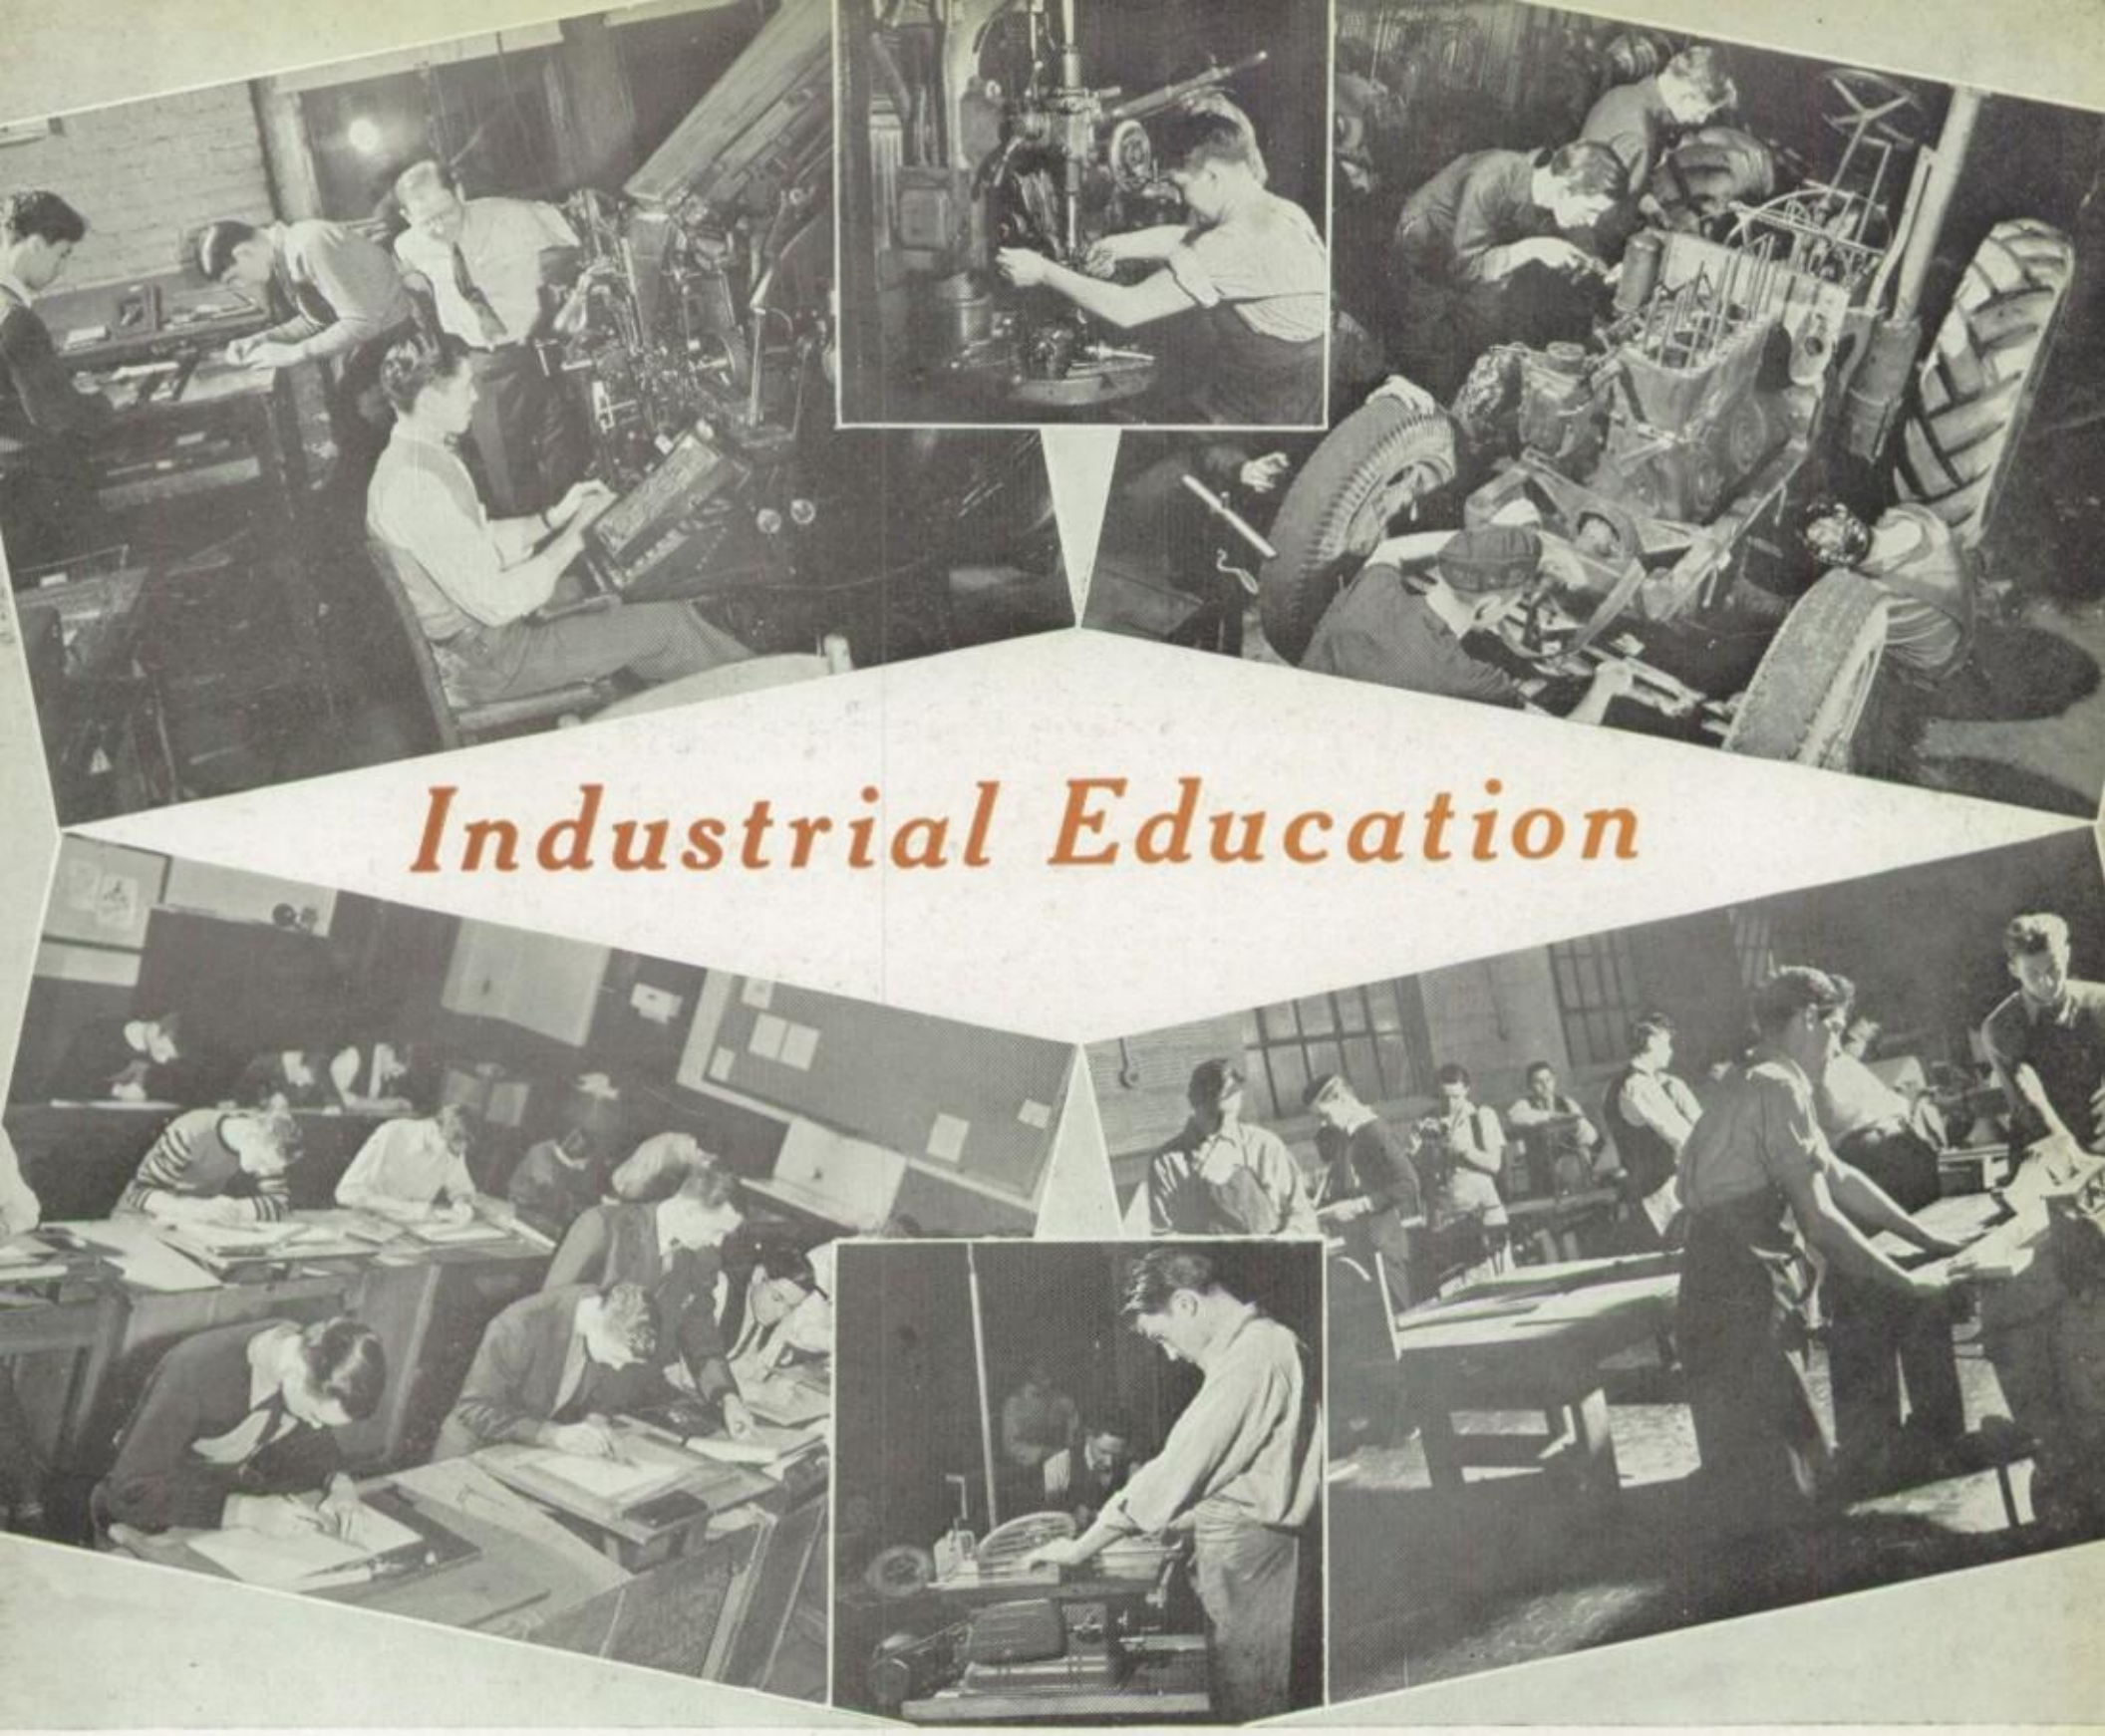


Household Arts

Cooking

Home Nursing

Now, ladies, step right up! We have followed our nose and look where we find ourselves. Get your cooking lessons here and then go up to the nursery and learn the technique of caring for a baby.



Industrial Education

Top: Printing, Machine Shop, Auto Mechanics
Bottom: Drafting, Pattern Making, Cabinet Making

Since the ladies had their chance the men are next, we go over to the shop rooms and choose a trade—printing, drafting, mechanics, pattern or cabinet making.

Business Education

Now crossing back to the main building we hear the clatter of typewriters. After hearing this businesslike noise let's go next door and learn a few principles of bookkeeping.

There is the dismissal bell! As we watch we see all types of students going out—some determined to make a success of life, others not caring—but all are looking forward to what is in store for them in the following years.

Board of Education

Five citizens of the city of Anderson compose the Board of Education. These men are appointed by the mayor of Anderson and the appointment is confirmed by the city council. They are elected for a term of three years.

Several changes have been made this year in the school board. Foust Childers has been appointed to succeed Elmer Downey, whose sudden death took place early this spring. Robert Critchfield resigned and Glen Rogers was appointed to take his place.

The other members of the Board of Education are Wade Free, president: Jacob Kuch, treasurer; and Miss Juliet Crittenberger.

Foust Childers, Arthur Campbell, Juliet Crittenberger, Jacob Kuch, Glen Rogers, Wade Free

Stanley Porter

Arthur Campbell

Superintendent and Principal

Arthur Campbell, Superintendent of the Anderson schools, was graduated from high school at French Lick, Indiana. After graduation, he attended Ball State College and there received his Bachelor of Arts degree. His Master's degree came from Butler University. The honorary degree of Doctor of Law was bestowed upon him by Anderson College.

A. H. S.'s principal, Stanley Porter, came here two years ago. He was a graduate of the Edinburg High School. After high school, Mr. Porter received his B. A. degree from Franklin College, and his M. A. from Indiana University.

DEANS

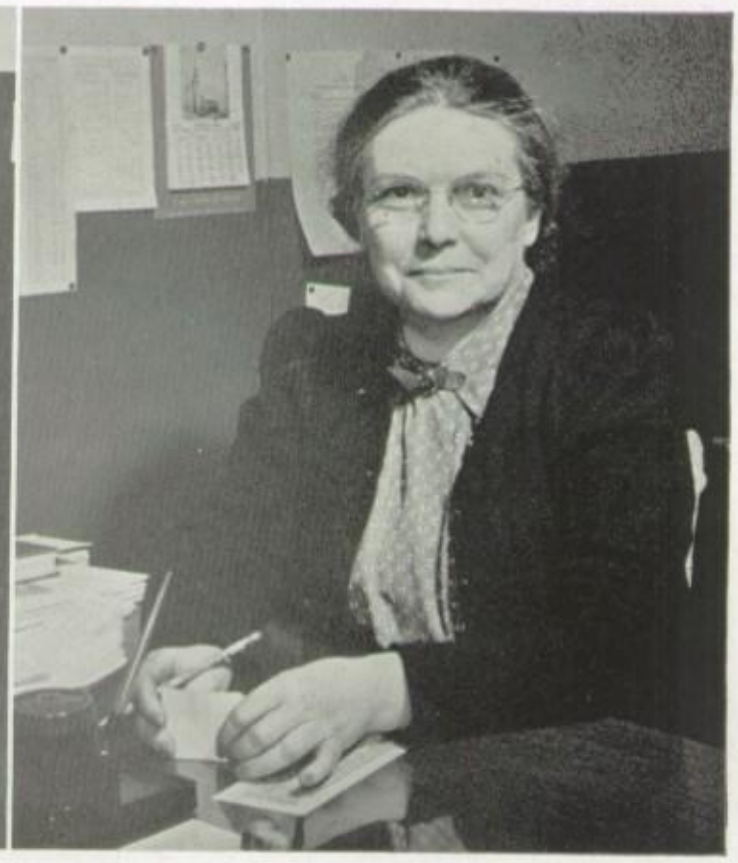
When asked if she enjoyed being Dean of Girls, Miss Reba Arbogast replied emphatically, "I most certainly do." It is remarkable that she has this attitude after thirteen years of dealing with members of the fair sex.

Miss Arbogast has attended Indiana State Teacher's College at Terre Haute, Columbia University, New York University, Ball State, and Butler.

The education of C. D. Rotruck has been extremely varied. He has attended eight different colleges, including Wabash, Indiana State, Akron, Ball State, Purdue, Indiana, Clark (Worchester, Mass.), and Vermont.

When asked what he thought about his position as Dean of Boys, Mr. Rotruck answered, "Dealing with 1245 boys gives you 1245 problems daily, week in and week out."

C. D. Rotruck



Reba Arbogast

Marjorie Austin | Betty Jane Sizelove | Margaret Ulmer

Office Force

There are three hard-working individuals in the high school office who aid in the progress of Anderson High. They are Mrs. Marjorie Austin, Miss Margaret Ulmer, and Miss Betty Jane Sizelove. All the stenographical work in the principal's office is done by them; they prepare the daily announcements, copy all the permanent record cards, record the grades, keep the school files, and do other work in Mr. Porter's office.

Mrs. Austin also has the task of building all the programs for Anderson High students and teachers each semester.

Presenting the winners of the current quiz programs--the teachers.

The wheel of progress moves on and with it moves Anderson High. When Anderson High School began back in 1872, there were only a few departments with only two or three courses under each. Today under each of the thirteen departments there are between five and twenty courses offered. For example, in the English department not only are 1B, 1A, 2B, and 2A English taught, but also speech, dramatics, advanced reading, world literature, composition, remedial English and many other types.

But what and where would the high schools be without their guiding light, the faculty? The English department is ably headed by C. H. McClure; the Social Science department by George Davis, who is acting in place of Elmer Goss; the Art department by Miss Wilma Balyeat; the Foreign-Language department by Miss Fannie Nagle; the Physical Science department by Jesse Stutsman; the Mathematics department by W. H. Brinson; the Physical Education department by Archie Chadd; the Biological Science department by B. B. Horton; the Commercial department by Miss Katherine Brown; the Household Arts department by Mrs. Margaret Leachman; the Vocational Agriculture department by W. C. Kolb; and last, but not least the Trades and Industry department by Paul Bergevin. The faculty is made up of 88 teachers many of whom are graduates of A. H. S.

There have been many changes in the faculty this year. Mr. Goss left to serve his country last fall, and Mrs. Ella Goss left early this spring to join him. Mr. Davis is head of the Social Science department while Lieutenant-Colonel Goss is away, and Mrs. Vivian Maine has taken over Mr. Davis's work. Mrs. Bonylin Pflasterer is substituting for Mrs. Goss. Mrs. Mae Henry is away on a leave of absence this year, and Mrs. Helen Preston is taking her place in the Foreign Language department Mrs. Catherine Richter is substituting in Mrs. Preston's position in the English department. Miss Dorothy Dunlap is taking the place of Miss Ruth Hill this year, and Mrs. Lashbrook is still substituting for Ralph Shields. When Miss Rosalie Hirsch left this year, Miss Mary Humphrey took her place in the Art department. Mrs. Helen Humphreys is substituting in the Social Science department. Robert Drummond was added to the faculty last fall and Joseph Dye at midterm.

Student Assembly and Executive Council

An important accomplishment of the Council this year was the beginning of the inter-school dances. Also four of its members attended the national convention at Milwaukee and thirty members went to the state convention at Bloomington, where Warren Stidham was elected president of the state association. More students were appointed to committees and the Junior Red Cross, Club, Home Room Discussion, and Monitor committees were established. A new procedure of electing class officers was enacted.

Assembly officers have been president, Bob Matthew; secretary, Barbara Reed; president pro-tempere, Bernard Davis; and reading clerk, Marian Canaday.

Executive officers have been: president, Gordon Hannaford; vice-president, Jim Wilson; secretary, Barbara Jones; and treasurer, Warren Stidham.

Senate

The Senate was established for the purpose of teaching students parliamentary law and to help them in public speaking. The conduct of its meetings is based on Robert's Rules of Parliamentary Procedure. This year the senators have had ample opportunity to furthur their knowledge by discussions of such resolutions and bills as the "Lease-Lend Bill".

This organization also has social activities including a dance in the fall, a spring dance, and the annual banquet.

The officers for the fall semester were: Forrest Ryan, president; Donald Knotts, vice-president; Virginia Hite, secretary; Bryce Brown, treasurer; and Barbara Jones, reading clerk.

The spring semester officers are pictured below.

This club is considered by many as one of the outstanding organizations of the school. It has tried in every way possible to cooperate with the school administration.

In December the club sponsored the annual "Line of Dimes" which financed a Christmas party for the needy children of Anderson.

The social functions of the club include a beautiful and large all-school dance, (The publicity for which set an all time record for volume!) one hayride, private dance, and a picnic. They were all most successful.

National Honor Society

The National Honor Society is an organization for high school students of high scholastic ability. A new project has been under way by which members, who are especially apt in certain subjects, are tutoring poorer students in these subjects. They carefully explain the difficult points in the work of the students and answer any questions that might arise.

This club has also had very interesting and educational programs such as: debates, an old-fashioned spelling bee, informal discussions, and lectures on current topics, at its regular meetings throughout the year. Arthur Shirey is faculty sponsor of the group.

G i r l

The Senior Girl Reserves are more than a social club. They are interested in service, social problems, religion, and world fellowship. The officers of the Senior Club are: president, Evelyn Anton; vice-president, Jean Julius; secretary, Wanda Lennis; treasurer, Doris Bradford, and Inter-Club representative, Norma Roof. Mrs. Catherine Richter sponsors this club.

The Junior Girl Reserve club enjoyed a Christmas dance and later a Spring dance. Several informal meetings were held with dancing and refreshments and several group and panel discussions were arranged.

The officers of the club are: president, Jean Bable; vice-president, Louise Spiegal; secretary, Norma Jean Haynes; treasurer, Donna Gibbens, and Inter-Club representative, Betty Groves. The sponser of this club is Mrs. Hazel Lashbrook.

The Sophomore Girl Reserve activities this year included a Christmas dance, Valentine party, recognition service, Inter-Club tea dance, several discussions, and talks on various subjects.

The officers of this club were: president, Virginia Downard; vice-president, Miriam Huser; secretary, Carolyn Reeder; treasurer, Jane Dawley; Inter-Club council, Eleanor Crecelius. Their sponsor is Mrs. Virginia Vermillion.

The Freshman Girl Reserves enjoyed a chili supper in December, St. Patricks Day party, a conference meeting April 19, and Birthday Week April 20-26. This club originated the idea of selling do-nuts in the front hall.

The sponsoring of this club was under the able leadership of Miss Mary Alice Charlier. The officers were: president, Mary Lou McLain; vice-president, Barbara Pittinger; secretary, Eris Curry; treasurer, June Risher; Inter-Club Council, Virginia Nichol.

NEWSPAPER:
The X-Ray

Feburary 27th was a red letter day for the intellectual population of this high school, because on that day this year's issue of the school's literary magazine came off the press.

Phyllis Billman, Margery Hyden, Forrest Ryan, Louise Spiegal, Leslie Canning, and Eugene Wilson served on the editorial board.

Barbara Bronnenberg, Fred Bronnenberg, Bruce Douglas, Lois Ellis, Gerrie Glover, Mary Emma Huser, Doris Mears, Marilyn Mulvihill, Carolyn Pickering, Lora Roettinger, Louise Spiegal, Mabel Zerkel, Bill Cheever. Bill Tate, Martie Decker, and Maxine Endicott wrote for the LITTLE CHIEF.

During October, thirteen members of the X-Ray staff attended the Indiana High School Press Association Convention at Franklin College. Among the honors won by A. H. S. students were: First in newswriting, Barbara Jones; first in editorial writing, Carolyn Stilley; first in features, Kathleen Hampton; second in proofreading, Jean Julius; and Lois Ellis, third in features.

Frank Baker is the advisor and Claude Barner is in charge of the printing of the paper. Gordon Hannaford and Burton Canaday served as editors-in-chief of the publication during the fall and spring semesters respectively.

MAGAZINE:
The Little Chief

When strolling through the basement of the building, you will pass a room which appears to have an industrious group of young men. These men are the printers. They have a very important part to play in the school and a lot of responsibility rests on their shoulders.

Among their important tasks are printing the Year Book, X-Ray, and basketball programs.

Among other articles that are printed are class schedules, curricula sheets, report cards, and basketball schedules. The printers are under the supervision of Claude P. Barner.

MECHANICS:
The Printing Dept.

Noblesville, Indiana, was the scene of the annual picnic of the third oldest club in A. H. S., the Science-Math Club. The Student Council and the Science-Math Club were also cosponsors of the first school skating party held at the new roller rink. An after game dance appeared on the club schedule of these young mathematicians and scientists.

L. R. Lee and B. B. Horton with Jack Ice as president and officers Lester Shipley, Doris McFarland and Bill Wagner have guided the activities of the club this year.

Camera Club

This club with the aid of their officers: president, Paul Farley; vice-president, Chester Sczesny; secretary-treasurer, Robert Oberlies; and corresponding-secretary, Hugh Swank and their sponsor, Dwight Morris has had a successful year. The object of this club is conservation and restoration of natural resources.

Some of the important projects that have been sponsored during the year 1940-41 were raising birds for the county, the organization of a rifle and a casting team within the club, and aiding the Senior Club to raise money for the community club house.

Science-Math Club

In 1939 the Camera Club was organized. The purpose of this club is to teach students the fundamentals of photography. A dark room has been provided for the club in which they may develop their own pictures. These young camera enthusiasts sponsored an after school dance and many interesting field trips.

With Robert Woodruff as president, Roy Wheasler as vice-president, Irwin Chalfant as secretary-treasurer and Gordon Julius as faculty sponsor, this club has great things to look forward to in future years.

Band and Orchestra

"Oh, the concert in the park"-- a good beginning for a song and also a beginning for a write-up on the band of A. H. S. The band gave a concert for the entire population of Anderson and it was well received.

Besides the concert these musicians took part on the Corn Festival at Tipton, played in parades, and sponsored a chili supper.

The band also gave an added touch of color and sparkle to the basket-ball games in being responsible for between half entertainments featuring the drum majorettes pictured below.

The orchestra takes parts in style shows and other activities under the able direction of Richard Rencenberger.

How about giving three cheers for the instructor and those who make up the band and orchestra of Anderson Senior High School.

Boys'-Girls' Glee Clubs

Thirty-two members were in the Boys Glee Club the first semester and forty-three the second. Among the programs in which these boys participated were a Vesper Service at the Mthodest Church, Kiwanis Club Luncheon, Greek War Relief program at the State Theatre, May Festival in the gym, and the County Festival at Markleville. They were accompanied by Lora May Gahimer.

Seventy-six students were in the Girls Glee Club the first semester and ninety-four the second. They took part in several programs: Annual Christmas Program, Muncie Festival, County Festival at Markleville, and the November meeting of the Parent-Teachers Association. Their accompanist was Wilma Dixon.

Miss Dorothy Dunlap directed both groups.

Choral Club

Yes Children, it's Spring; however, those are not the birdies sweetly singing, but the Choral Club. They must have been heard singing clear to Newcastle, for Newcastle High asked them to sing at their convocation. Perhaps it would be stretching it too far to say that they heard them in Indianapolis from here. Just the same the club was invited to the beautiful Scottish Rite Cathedral at Indianapolis where the group gave a very fine performance. These are just two of their many appearances this year. These fine concerts are due not a little to the group's competent leader, Miss Dorothy Dunlap.

Latin Club

The Sodalitas Latina, or the Latin Club spent some of their time studying various topics dealing with the private life of the Romans.

The usual Christmas and Easter parties were held. The gifts received in the exchange at Christmas were donated to a welfare organization for distribution to children.

As a part of the Easter program the "First Easter" as given in Matthew. was translated from Latin. The club also prepared a Latin Exhibit.

The officers were Margery Cerden, president; Erma Jean Corder, vice-president the fall semester, Jack Bluemle, the spring semester; and James Piper, treasurer. Miss Fannie Nagle acts as sponsor for this group.

French Club

The French Club is a group of students interested in furthering their knowledge of French. This club provides an excellent opportunity for those French students who are desirous of enjoying the benefits this fascinating language provides. The highlight of this year's club program was a doughnut sale and the awarding of the scholastic prize in French to a graduating senior.

The French Club is sponsored by Mrs. Edna Whitson. Officers for the 1940-41 season were: Rosalis Dries, president; Jean Ann Miller, vice-president; Barbara Jones, secretary-treaurer.

Spanish Club

Fiesta time in Mexico with its gayety nd laughter had nothing on the grand time the Senoritas and Senores had at the picnic of the Spanish Club.

Perhaps some beautiful Senorita won a dashing Senor by showing her talent of opening boxes and bags of food

Senora Strickler was the chaperone of the Senoritas and Senores. President of th club was Senor James Romine. The other officers were vice-president, Senor Kenneth Ray; secretary, Senorita Sophia Pancol; and treasurer, Senor John Johnston.

Know Your City Club

"All aboard! all aboard for Dietzen's Bakery, Guide Lamp, Hughes-Curry, Anderson Mattress, Sewage Disposal Plant, and the Post Office.

"All off for the bakery. Right this way to learn the tricks of baking. Next stop is Guide Lamp. Perhaps we can learn how parts of our cars are made. Let's visit Hughes-Curry and see the process of meat curing. Sleepy? Well our next stop is at a mattress factory so come along. Learn more about your city. If you wonder where and how those letters you write go. . . ."

Thus goes the K. Y. C. Club.

Dramatics Club

Comes Spring and for a time the Dramatic Club under the watchful eye of Ralph Boyd hides its lights under a bushel more or less while the Seniors take their bows for the senior play--splashing the firmanent with glory. But you can't keep a good man down.

"The Anderson High School Dramatic Club present" is becoming a very popular phrase. You have heard it at two convocations this year; over the radio (the usual custom of presenting a play over WHBU was continued with a tale of the supernatural); and introducing the annual open house plays.

House Of Representatives

The purpose of the House of Representatives, which is open to Freshmen and Sophomores only, is to develop the public speaking ability of members and acquaint them with parliamentary procedure.

The social activities of the club this past season were a doughnut-sale and an after school dance.

Sponsors of the club were Miss Virginia Lindstrom and the late John P. Amick. Officers for the 1940-41 season were: Hugh Harrison, speaker; Martin Schickle, vice-speaker; Cleda Achor, treasurer; Martha Elsea, secretary; Victor Netterville, roll-clerk; Jimmy Collins, reading clerk.

Art Association

Here are the members of the Andrson High School Art Association of 1940-41. With them are their sponsors, Misses Wilma Balyeat and Mary Humphrey. The purpose of their club is to create wider interests and greater appreciation of art.

Many unusual and interesting events have been sponsored by this club under the able direction of: president, Jack Foster; vice-president, Amber Guffey; secretary-treasurer, Bob Burkholder. Some of their different activities included a Christmas party, skating party, trip to Indianapolis to visit the John Herron Art Museum, and the annual exhibit of the Anderson Society of Artisits.

Sub-Deb Club

With the purpose in mine of helping each girl develop a more pleasing personality, the Sub-Deb Club was organized this year. Many discussions have been held to try and carry out this idea.

Other clubs sponsored candy sales and doughnut sales, but to be different this club sold popcorn. Pauline Sibera has headed this group with Mollie Coverdale as her assistant. The minutes and funds of the club have been handled by Jean Anne Hall. Miss Margaret Mullendore and Mrs. Sara Pippen are the faculty advisors of the Sub-Deb Club.

Junior Red Cross

This is a newly organized club this year. Approximately sixty students are enrolled. There is a student representative from each home room.

The club sent four delegates from school to go to Washington to attend the National Red Cross Convention. The ones who attended were Barbara Bronnenberg, Marian Canaday, Evelyn Yust, and Bill Griffey.

The club took care of the annual sale of Red Cross Seals in the School.

The officers of the club are Bruce McArt, president; Jack Songer, vice-president; Marian Canaday, secretary; and Frances Hudson, treasurer. Leo Sanders is the sponsor.

Racquet Swingers' Club

Flash or perhaps it's smash. Either word would suit the Racquet Swingers Club which was organized last Spring by two tennis enthusiasts, Barbara Bronnenberg and Lois Worley.

On the courts seems not to be the only place the members display their energy for they started off this school year by having the first doughnut and first apple sales.

Robin Hood Archers

Excitement was in the air, nerves were tense, eyes were bring, everyone held his breath, as a young person pulled back on the bow string. Within a second an arrow was making a graceful arc through the air and then with a thud—a bullseye!

With many yells and some sighs the match was over with the Anderson Robin Hoods victorious over the Marion Archers.

Bible Club

"This is a group of very modest and unassuming students", quotes their sponsor, Fred Weaver.

The programs of the Bible Club vary for entertainment. They have a Bible study lesson at some of the meetings and have different types of games at others. They studied the Old Testament the past year.

The group had an apple sale for the purpose of making money. A St. Patrick's Day party was one of the social functions.

The officers are Blanche Wertz, president; vice-president, Betty Arbuckle; secretary, Mary Reynolds; and treasurer, Ralph Pike.

Fashion Design Club

The newly organized Fashion-Design Club is sponsored by Miss Celia Carson. The only requirements for membership are interest in fashion designs and regular attendance.

This club holds meetings every Monday. The programs this year consisted of using different designs and discussing them each week. Some of the girls carried out their designs by making them into dresses.

The following students held offices in the club; president, Clara Manis; vice-president, Betty Silvers; secretary, Margerite Humbles; and treasurer, Betty Jean Fred.

Knitting Club

The Knittricks Club is a newly organized club this year. Their project this year is preparing afghans for the "Bundles for Britain". They held a dough-nut sale to make money to buy the yarn. The teachers also gave contributions for this cause.

The group gave a tea at the close of the year and it was a huge success.

The club is under the able leadership of Judith Nooney, president; Barbara Bronnenberg, vice-president; and Mary McDaniels, secretary-treasurer. Mrs. Agnes Brock, Mrs. Margaret Leachman, Miss Celia Carson, and Miss Mignon Anderson of the Home Economics Department are sponsors.

Future Farmers of America

During the past five years the Anderson Aggies have set a new record in winning championships, namely, that of winning the state apple judging championship in three of the last five years. The championship years were in November of 1936, 1938, and 1940. The first attempt was made in 1934, the same year of organization of the vocational agriculture department in Anderson High School, and the team placed fifth; in 1935 a different team placed third and in 1936 the first state championship was won. In November of 1940 the third championship team was made up of Tom McCarty, Harry Voss. Jr., Leslie Branch, and Max Eggman, alternate. Harry Voss, Jr., placed second in the state, in the contest held at Purdue University, and won a silver medal. In the same contest a vegetable team made up of Max Eggman. Joe Pettigrew, Tom McCarty and Leslie Branch placing third to win a bronze medal.

It is also true that for the first time since 1935 the Aggies were unable to win a County championship in 4-H judging--their unbroken string in Crops and Dairy judging was finally broken and they had to be satisfied with a third place in each event in the spring of 1941.

Another unuaual event in the Aggie Championship Parade is that they have won the district Corn Husking Contest in six of the last seven years, the only year the event was not won was in a close contest of 1939. In the 1940 District Husking Contest, Kenneth Vermillion defeated Walter Mauck, Jr., the district winner of 1939 and also an Anderson Aggie, by nearly fifty pounds of husked corn, and Kenneth was awarded the district gold medal and also one bushel of hybrid seed corn which automatically advanced him into the state contest held at Selma, Indiana, where he placed fourteenth by husking into wagon number fourteen. Donald Hiday, a former Aggie, won the 1940 Hamilton County Adult Corn Husking Contest and then placed sixth in the Prairie Farmer State Contest.

Richard Rector, a 1941 Aggie graduate, enrolled in the Agriculture course at Purdue University was honored with a four year scholarship to Purdue on the basis of his 4-H Corn Club work.

The Aggies also fared well in Madison County 4-H Fair competition by winning eighteen first awards and one sweepstakes award bv Joe Pettigrew. Earl Thompson placed thirteenth in the Hoosier Fat Steer show with a Hereford steer that sold for 13 cents per pound. Richard Runyan won a gold medal in Corn work with a yield of 101.2 bushels per acre and Tom McCardy won a silver medal with a yield of 84.5 bushels.

ATHLETICS

Archie Chadd

While A. R. "Archie" Chadd maintains his established position as head of the Anderson High School Athletic Department the students need have no fear concerning the achievements of A.H.S. athletic teams. Mr. Chadd's individuality in coaching methods and his singular character have won for him state-wide fame. The "Little Napoleon" has won the respect and admiration of all Indiana because of his ability to produce teams that constantly excel in every sport.

No coach could be credited with such achievements without the mention of assistants. Carl Bonge in his years of service as varsity track coach has

Donas Dischinger

Carl Bonge

Vern Shinn

given Anderson some of the finest track squads in the state. Donas Dischinger gives his valuable aid in all of the big three sports, especially basketball.

Vern Shinn and Ray Fleenor's services are divided among basketball, football and track. Dave Barrow, of the junior high faculty, also assists in basketball and is head golf coach.

Last, but by no means least, there are Walter Kolb and Merrill Coffin. The former is statistician and the latter is ticket manager. The invaluable assistance of these seldom-mentioned men plays an essential part in the maintenance of a perfect athletic setup.

FOOTBALL

Anderson	6,	Southport	0
Anderson	18,	Elwood	6
Anderson	6,	Muncie	19
Anderson	32,	Noblesville	6
Anderson	26,	Newcastle	0
Anderson	6,	Technical	6
Anderson	13,	Richmond	6

Pictured at right is a scene at Richmond in which a Richmond back was about to be stopped by Jim Kailor. Anderson defeated Richmond 19 to 6.

Coach Chadd's reserve squad is patiently awaiting its turn on the sidelines. John Gaddis, and Don Barnett are prominent in the foreground.

The 1940 pre-season football workouts took place for the second consecutive year at Camp Pet-O-Sega on Pickeral Lake near Petosky, Michigan. The daily practice sessions there prepared the confident Indians in every way for the battles to come. The huge crew of pig skin warriors were developed from stiff and reserved fumblers into able-bodied and quick-thinking tacklers, blockers, pass heavers and snatchers. With the able assistance of Vern Shinn and Donas Dischinger, Coach Archie Chadd again gave Anderson a place in the headlines of the journals of amateur athletics.

The Indians first encounter with Southport resulted in a victory to the tom-tom tune of 6 to 0.

The Tribe in their second engagement at Elwood again outpassed and generally outclassed the Panthers from that city 18 to 6.

Glorious defeat came at the hands of a strong Muncie team by a score of 19 to 6.

By way of some spectacular "Movie" touchdowns the Redskins nearly whitewashed the Millers of Noblesville 32 to 6.

In their next gridiron clash the Chaddmen, determined to break a ten year jinx, did just that, by stopping the Trojans of the Rose City 26 to 0.

Anderson traveled to Technical High at Indianapolis to be held to a 6 to 6 tie.

The last game of the season ended in a fitting tribute to the previous accomplishments of the warriors, with Richmond on the short end of a 13 to 6 score.

This year the team will lose such worthy players as Bob Bell, Joe Blackwell, John Chaney, George Freeman, John Gaddis, Walter Grossenbacher, Walter Mauck, Paul Meagher, Jim Pitts, Bob Reddin, Jack Rodecap, Tom Taylor and Maurice Tunget. However spring football practice showed that several promising underclassmen are being groomed to fill their shoes.

BASKETBALL

Although the Indians in their 1940-1941 basketball season did not win the state championship, as was anticipated by many, they did, however, gain statewide recognition. The team as a reward for their very impressive season became the first Anderson High School team to win the North Central Conference Championship. The tribe, after losing two out of the first three starts, went on to an almost unbroken string of victories. Defeat came three times, twice at the hands of Logansport and once by Greenfield.

The Indians' first encounter was one of thrills. The Chaddmen couldn't break a two point lead held by Greenfield throughout the final quarter. Greenfield 30, Anderson 28.

The squad next journeyed to Jeffersonville where an impressive victory was recorded against that team. Anderson 23, Jeffersonville 15.

The quintet suffered its first North Central Conference defeat by being dropped by Logansport in an overtime contest, 26 to 24, but a quick retaliation was in order by way of a win over Marion, 35 to 16.

Pictured at left is the tip-off of the Anderson-Newcastle game on Dec. 6 in which the Indians were victorious by a score of 38-31

BASKETBALL

Next the hardwood five manipulated a fourth quarter rally and conquered the Tigers of Lebanon, 41 to 35.

The team topped all previous offensive work by stopping the Crawfordsville Athenians, 47 to 37.

Technical High School of Indianapolis gave the Tribe some strong opposition, but the string of victories was unmarred. Anderson 34, Technical 26.

A third place conference standing was maintained by the defeat of the Newcastle Trojans, 38 to 31.

The team experienced a successful holiday campaign by dropping Lafayette and Muncie, 31 to 24, and 34 to 28, respectively.

The Indians next handed Marion a second defeat, 28 to 16.

The Tribe lost their first game in the Big Four Tourney to Logansport, but scalped the Muncie Bearcats, 35 to 27 in the consolation tilt.

The Braves went on to cinch the North Central Conference Championship by dropping such strong contenders as Greencastle, Connersville, Richmond, Crawfordville, Muncie (for the third time in the season), Frankfort, Martinsville, Kokomo, Newcastle, and last but not least, Shortridge of Indianapolis 35 to 30.

ANDERSON 21, KOKOMO 18
ANDERSON 24, NEW CASTLE 20

The 1940-41 basketball campaigns of the "B" and Freshman teams were the most succesful for a number of years. These teams, under the able coaching assignments of Carl Bonge and Archie Chadd, established an impressive record.

The Freshman group, the unsung heroes of the hardwood, deserve the noblest tribute for winning fifteen consecutive contests out of sixteen starts. Incidentally this is the first team to accomplish such a creditable record since the 1937-38 season, when the freshmen were undefeated in eighteen consecutive battles.

The "B" team went through the entire season with only two losses as compared to fifteen impressive victories. By defeating such able contenders as Marion, Tech, Newcastle, Muncie, Frankfort, the squad did much to brighten the outlook for the coming varsity season.

AT THE TOURNAMENTS

Some difficulty was encountered in Sectional Tourney play, but Markleville and Pendleton both were vanquished by extremely close scores.

In the Regional Tournament here the North Central Champs dropped Maxwell, 35 to 26, and Decatur Central 27 to 21 in the evening.

The season was brought to an unexpected close by a strong and deserving Rushville quintet in Semi-Final play.

T R A C K

The 1941 track season proved to be one of the most successful for the A. H. S. cinder-pounders in many years.

This year's edition was perhaps one of the best, if not the best, in the school's history. The team was well balanced in all departments, and showed its strength by defending successfully its North Central Conference, Sectional, and Rose Relays titles.

The season record for the squad is as follows:

April 11—at Muncie—Anderson 66, Central Muncie 43, Burris 26

April 17—Here—Anderson 93, New Castle 22

April 22—Here—Anderson 93, Marion 38

April 26—at Muncie Relays with Anderson fourth.

May 3—at Kokomo—Kokomo Relays with Anderson sixth.

May 6—Here—Anderson 76, Muncie Central 39, Anderson B 69, Plainfield 31

May 9—at Muncie—North Centtral Conference Meet with Anderson first.

May 13—Here—Anderson 85, Richmonl 24

May 17—at Kokomo—Sectional with Anderson first.

May 20—at New Castle—Rose City Relays with Anderson first (five new records)

The Indians qualified seven men for the state finals which were held May 24 at Indianapolis. Three more qualified on the mile relay team which made a total of ten.

Baseball---Golf

For the first time in several years, Anderson High has been represented by a baseball team. Most of the home tilts were played on the Delco-Remy diamond under the lights.

The record up to May 22 is as follows:

Anderson 6, Greenfield 3
Anderson 5, Noblesville 3
Anderson 9, Spiceland 1
Anderson 5, Noblesville 1
Anderson 6, Spiceland 8
Anderson 10, Spiceland 2
Anderson 6, Muncie 3
Anderson 4, Muncie 2
Anderson 0, Penlleton 1
Anderson 1, Pendleton 5
Anderson 4, Middletown 6
Anderson 2, Kokomo 1

The 1941 golf season was without doubt the best that Anderson has experienced for many years. Golf in A. H. S. refuses to take a back seat. With comparatively little practice the boys have chalked up the following record:

Marion 10 1-2, Anderson 1 1-2
Anderson 6 1-2, Shortridge 5 1-2
Marion 6 1-2, Andersoon 5 1-2
Anderson 9 1 2, Newcastle 2 1 2
Anderson 10 1 2, Newcastle 1 1 2
Shortridge 11, Anderson 1
Anderson 9 1 2, Muncie 2 1 2

In the Big Invitational meet at Mar ion Anderson placed foourth and Mel-son tied for second low medalist.

Girls'

The Girls' Athletic Association has completed its eighth successful year as an Anderson High School club for sport-loving girls. This organization is also affiliated with Indiana League of Girls' Athletic Association and follows the state point system in granting awards.

This year the girls have participated in soccer, volley ball, basketball, softball, tumbing, ping pong, track, and field and hit pin baseball. The tumbling exhibition given by the G. A. A. at one of the convocations and before a P. T. A. meeting proved to be quite a success. Social events included a wiener roast, dance, skating party, hikes, and the final banquet at which all awards were granted. The G. A. A. council made up of the officers: (Katherine Kailor, presi-

Athletic Assn.

dent; Estelle Fletcher, vice-president; Mary E. Cooper, secretary; and Barbara Bronnenberg, treasurer) and the sport chairman have charge of all business matters. This busy group has been aided by the sponsor, Miss Mary Olds, a new teacher.

To Estelle Fletcher was awarded the highest honor which a girl in G. A. A. can attain -- that of being chosen by a faculty committee as the most outstanding Senior girl for her skill in sports and for her excellent sportsmanship.

Estelle has been a member of G. A. A. for four years, serving as secretary her junior year. She was awarded her state award for athletic achievement last year.

Unusual skill in all sports, excellence in scholarship and citizenship, happy disposition, sunny smile---all are characteristics which will carry Estelle far on the road to success in her chosen field-physical education.

To receive the sportsmanship medal which is given each year to the girl who shows the best attitude in all sports is an honor for which every girl in G. A. A. works.

The member of the club conferred this coveted award this year upon Barbara Bronnenberg.

Barbara is a junior and one of G. A. A.'s most capable and dependable girls. She has served as treasurer for the past two years and has always worked willingly on special committees. She assists in coaching and has also helped in regular physical education classes.

With her excellent sportsmanlike attitude, she is also exceptionally skilled in athletics which classes her with many friends as the best of "good sports."

A

FEATURES

Extra Curricular Activities Are Numerous

Several Groups--- Individuals Receive Honors

On September 9 the walls of A. H. S. which had been silent for three months were once again resounding with students' voices to the tune of 2,394. Amid the familiar faces there were also 300 strange faces—the annual crop of freshmen.

A pleasant surprise greeted the eyes of A. H. S. students of the first day in the form of an X-Ray. The industrious scribes on the staff worked for a week before school started so that there might be an issue on the first day.

Student-Faculty Committees Appointed

Speaking of newspapers, in September the newspapers were filled with editorials denouncing dictatorship. However, no one could accuse A. H. S. of being run in a dictorial fashion. This year four student-faculty committees were appointed to give the student body more voice in school government. The convocation committee was in charge of arranging all the convocations. Bill Wagner acted as student chairman. The clubs committee to charter and supervise clubs was headed by Gordon Fisher. Barbara Jones was chairman of the Social Activities committee. The home room discussions committee which planned the discussions held in homerooms on Thursdays was in charge of Lois Ditteon.

With the opening of school also came the opening football season. After the Muncie-Anderson battle, Muncie extended an invitation to Anderson High to attend a dance

Recreation Room Opened For Use

Dancing is not the only recreation that students have the opportunity to participate in. The recreation room was open again this year, and it attracted many students every day. W. P. A. men were in charge.

On September 22 the Sperandeos came to A. H. S. to entertain with songs and magic.

After the formation of the clubs committee there was an increased interest in organizing new clubs. Pauline Sibera formed the Sub-Debs early in October to help girls to develop more pleasing personalities. Another new club organized early in the school year was the Robin Hood Archers Club.

On October 3 the high school band represented the school at the Corn Festival at Tipton. The fact that this was a Corn Festival was no reflection on the band.

Annual Campaign Began October 14

From the looks of the picture Bob Seaton circulation manager for the Indian this year must have done some heavy thinking about plans for the Annual drive which began October 14.

On this same day Kenneth Vermillion, a vocational argiculture student succeeded in bringing home the bacon from the District Corn Husking Contest in which he won first place honors.

October was an eventful month. Early in this month A. H. S. lost one of its best loved teachers. Miss Rosalie Hirsch, art instructor for eight years, resigned because of matrimonial intentions. Although sorry to see Miss Hirsch leave, A. H. S. was happy to welcome into its wigwam Miss Mary Humphrey.

One particular day in October will be remembered for a long time by at least nine men of the faculty, October 16 they had to register for selective service. The prospective "soldier boys" are: Donas Dischinger, Arch Chadd, Frank Baker, Vern Shinn, Paul Bergevin, Dwight Morris, Dane Pugh, Charles Denney, Robert Drummond, and Herbert Lyons.

Plans Announced For Basketball Ticket Sales

Training was begun in A. H. S during this month. Not for the army, but for basketball. J. Merrill Coffin on October 18 announced the plans for the sale of season tickets, and everyone was looking forward to the opening game.

Climaxing the month were honors brought to the school by the journalism students who attended the Franklin press convention during Teacher's Institute. The journalists grabbed three first prizes, one second, and one third in the various contests.

At the first convocation following Teachers' Institute Cameron Beck, noted lecturer, spoke. The subject of Mr. Beck's lecture was: "What You Are To Be You Are Now Becoming."

"Chili" weather begins early in the month of November. To raise money for new uniforms the band sponsored a chili supper at this time.

On November 8 the Indians opened their hoop season by bowing to the Tigers from Greenfield.

Program Given On Armistice Day

In the annual Armistice day program on the eleventh of November presented through the cooperation of the American Legion, Malcolm Caldwell, Don McArt, and Barbara Jones participated.

A few days later humor, terrors, thrills, and chills were provided by the Dramatic Club at its annual open house.

A visitor to the high school this month was Gay Head, author of the column "Boy dates Girl" in the Scholastic magazine. Gay Head at a convocation held in the auditorium answered such questions as: At what age can I begin having dates?" "How can I quiet my "kid" sister?"

Another visitor to the tepee in November was Chief Thunder Cloud who gave the Indians some first hand information.

Cast For Senior Class Play Is Selected

Closely resembling Indian chants were the calls for Henree--ee Aldrich coming forth from the auditorium. It was just the seniors practicing for their senior class play--"What A Life". The cast was selected late in November.

December ushered in the yuletide season. Among the interested spectators at the Santa parade December 2 were Frank Baker and his small son. Note the excited look on daddy's face.

In a heated battle for the position of yell leader, Dave Eastman emerged victorious.

Publications' Sponser-Son See Santa Parade

Eastman Chosen Cheerleader

The iron hand of fate struck a cruel blow on one of the members of the faculty. Fred Weaver, after having spent the entire seventh period lecturing to his class on the evils of drinking, was found at the candy counter with a bottle protruding from his pocket. The befuddled "lecturer" went through untold agony before the culprit confessed his guilt.

"Scalpers Cave" was the scene of the first after-game dance which was sponsored by the Student Council. Newcastle High School was the guest of the Indians at the dance.

Food Classes Sponsor Guest Tea

December seemed to be a month for entertaining outside guests. Miss Anderson's Food 2 classes entertained at two teas, December 10 and 12. The faculty were guests at the first, and the mothers of the home economic students were guests at the latter tea.

The alumni of A. H. S. were the guests of the school at an address given by Dr. Elinor Barnes, vocational consultant, on December 3.

"He's in the army now," crooned A. H. S. to Lieutenant-Colonel Elmer D. Goss, who was called to service in the army December 14. George Davis is acting as head of the Social Science department during his absence.

During the next few weeks the halls were gayly decorated in keeping with Christmas season by members of the Art department.

Santa Shinn Visits Anderson High

Students especially the seniors were thrilled December 20 by a visit from Santa Claus himself who bore a striking resemblance to A. H. S.'s own Vern Shinn.

Always a highlight of this season in the school is the caroling done by the Choral Club.

Archery Club Goes To Marion

Freshman Sponsors Chosen

Entrants In I. U. Music Contest

At one of the first convocations following Christmas vacation the Butler-Jordan Philharmonic Choir sang.

The new year also brought a change in the X-Ray staff. Starting with the issue of January 10 Burton Canaday replaced Gordon Hannaford as editor-in-chief.

On January 11 in true Indian fashion the Robin Hood Archers brought home the scalp of the Marion Archers from a meet held in Marion.

Thirty Council Members Go To Bloomington

The following week additional honor was brought to A. H. S. January 17 thirty members of the Student Council went to Bloomington to attend the State Convention of Student Councils. This group was successful in electing Warren Stidham as president of the association for next year. The state convention will be held in Anderson next year.

During the month of January when many A. H. S. students were getting in the black and white there was one group that was getting the red. There was nothing quiet about the Juniors this year. These young upperclassmen burst forth in brilliant red class sweaters.

Frosh Class Chooses Sponsors-Officers

Another class took a major step in January. Early in this month the "greenies" elected their chaperones. They chose as their sponsors Miss Margaret Mullendore and Robert Drummond. Soon after the selection of their sponsors the class of '44 elected its officers. Jimmy Collins was chosen as chief executive, and as his assistant, Bob Zerkle. Barbara Cleaver was picked to keep the notes and Dick Main was to have charge of the money which they don't have any of.

Eleven students from the music department were selected in January to represent this school in a vocal and piano contest at I. U. in February.

Jean Julius was chosen by the senior class and approved by the faculty as the good citizen of her school and the winner of the D. A. R. citizenship award. Jean's essay on citizenship won honorable memtion in the state contest. Dorothy Jones and Lejehn Nelson were runners-up in the contest.

The reward for a poor citizen is not so pleasant. The results of riding two on a bicycle built for one was portrayed by Max Campbell inside the Educational Safety Cruiser sponsored by the Safety Legion of America.

American Problems Class Broadcasts Over WFBM

Anderson High School was represented in the state capitol by two different groups Friday, January 31. For the second time this year students from Mr. Shirey's American Problems classes participated on the American School of the Air broadcast over station WFBM in Indianapolis. They were heard over a nationwide hook-up.

Also in Indianapolis were the members of Miss Dorothy Dunlap's Music Harmony and Music History Classes who heard the Indianapolis Symphony Orchestra.

At the beginning of the second semester January 26 that committee from the Student Council conducted the Book Exchange. Approximately 500 books were sold. Profits from the Book Exchange was given to Miss Arbogast to buy books for students who needed them. Gordon Hannaford was in charge of this project. His assistants included: Charles Bailey, Louise Spiegal, Barbara Reed, Warren Stidham, and Barbara Jones.

Junior Red Cross Chapter Organized

The Junior Red Cross, which was a new organization this year, conducted a drive during the last part of January for the Infantile Paralysis Fund.

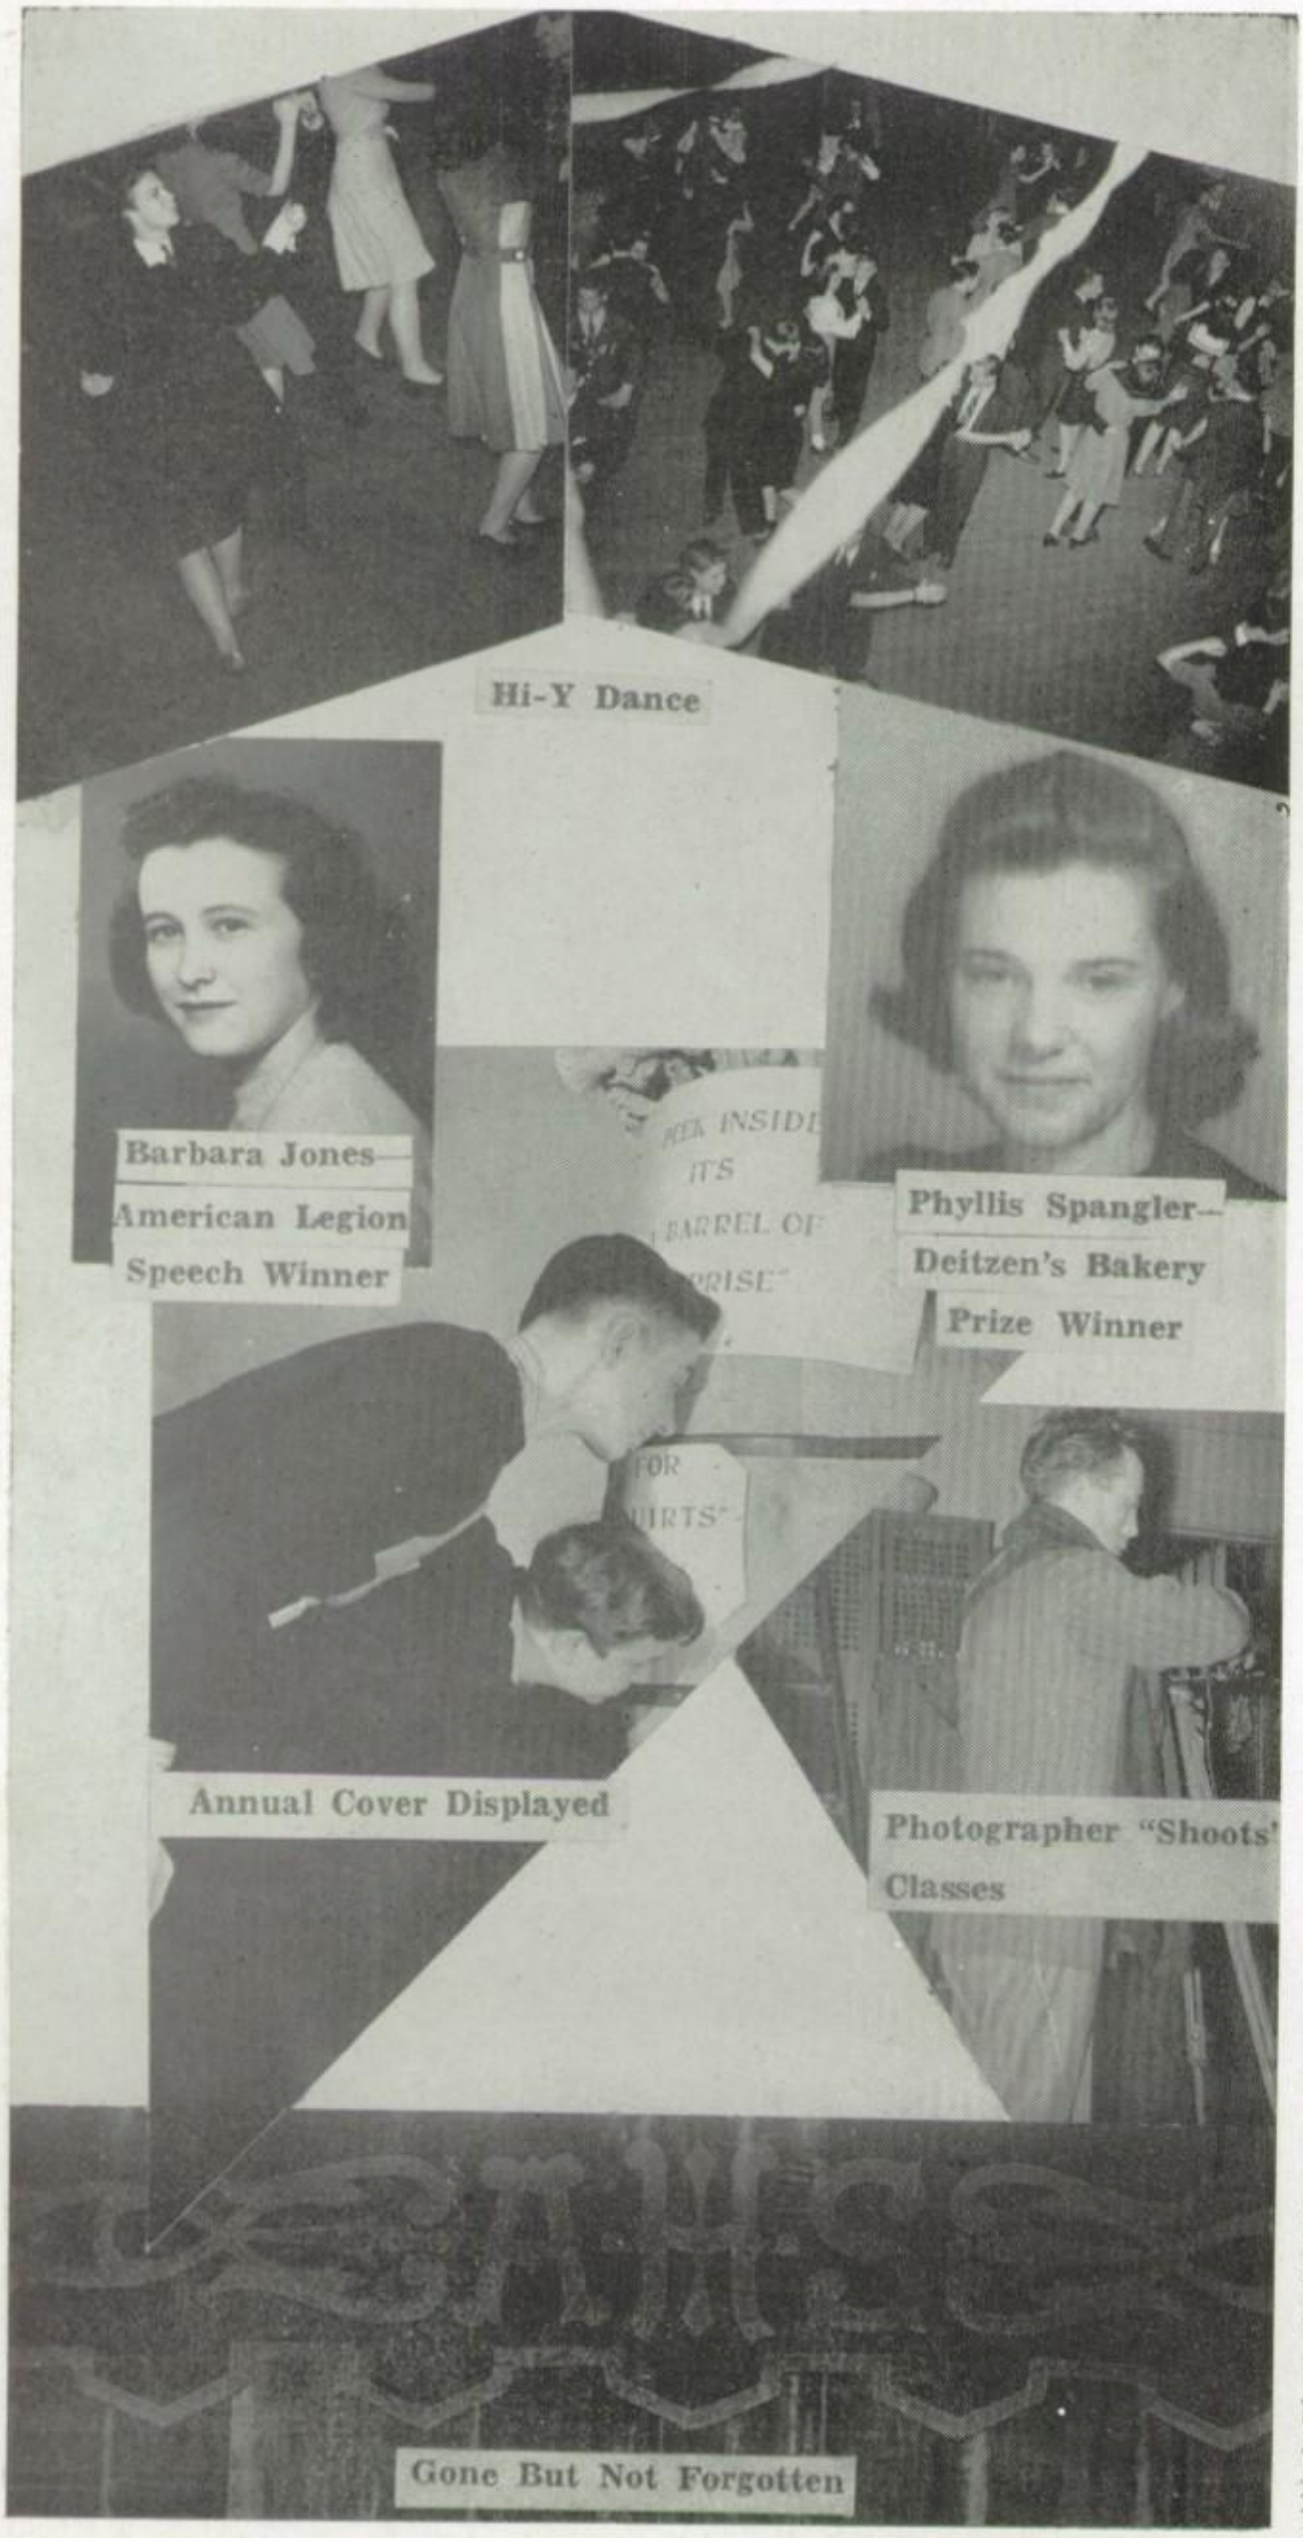
To Hear Indianapolis Symphony

In Charge of Book Exchange



No student in the school was not aware that the Hi-Y was sponsoring a dance. Anyone who did not attend this dance was a social outcast as far as the Hi-Y boys were concerned. It was held after the Kokomo-Anderson basketball game and Kokomo students were guests. It was the best dance of the school year. If you don't believe that, dear reader, just ask any member of the Hi-Y.

Barbara Jones Wins Oratorical Contest

The members of the Hi-Y aren't the only loud speakers in the school. Early in February Barbara Jones won the American Legion Oratorical contest in competition with Don McArt. The subject of her speech was "The Constitution and the Changing World."

Phyllis Spangler was the winner of the Dietzen Bakery Safety Slogan contest sponsored during Safety week. Her winning slogan was "The pace that thrills is the pace that kills."

For the benefit of Pete Davis and the freshman the annual cover displayed in a barrel in the front hall could be seen through two peek holes.

A professional photographer visited A. H. S. February 14 and took pictures of various classes throughout the day.

Sr.-Jr. Classes To Give Curtains

Announcement was made February 7 by the members of 1941 and 1942 that the auditorium would be blessed with new curtains. The two classes agreed to join in buying the annual class gift and purchase the badly-needed curtains to replace the ones given to the school by the classes of 1917 and 1918.

February 19 students from DePauw University presented a musical and dramatic program at an all-school convocation.

Twelve freshmen were selected by a student-faculty committee to serve on the advisory board for the February 17 issue of the Junior Scholastic magazine.

From a group of twenty-nine students who tried out for senior commencement speakers Bill Peeke, Charlotte Delashmitt, Sam Wilcox, and Barbara Jones were selected by a faculty committee. Don McArt and George McMahan were chosen as alternates.

Just before the Sectional Tourney the Indian photographer caught Coach Chadd in his office. Chadd seemed puzzled over just how to place each man on the board, but the Sectional Tourney revealed that he had found the correct solution to his puzzle.

Speaking of photography the auditorium was turned into a photographer's studio during the second week of March. Club pictures were being taken by Forkner's studio.

Guidance Conference Held For Seniors

March 12 the second annual Senior College Guidance Conference was held with fifteen colleges represented.

On March 14 Mrs. Ella Goss teacher in the social science department took a well-deserved vacation. Mrs. Goss went to Camp Shelby, Mississippi to join her husband. Mrs. Paul Plasterer substituted for Mrs. Goss for the remainder of the schoolyear.

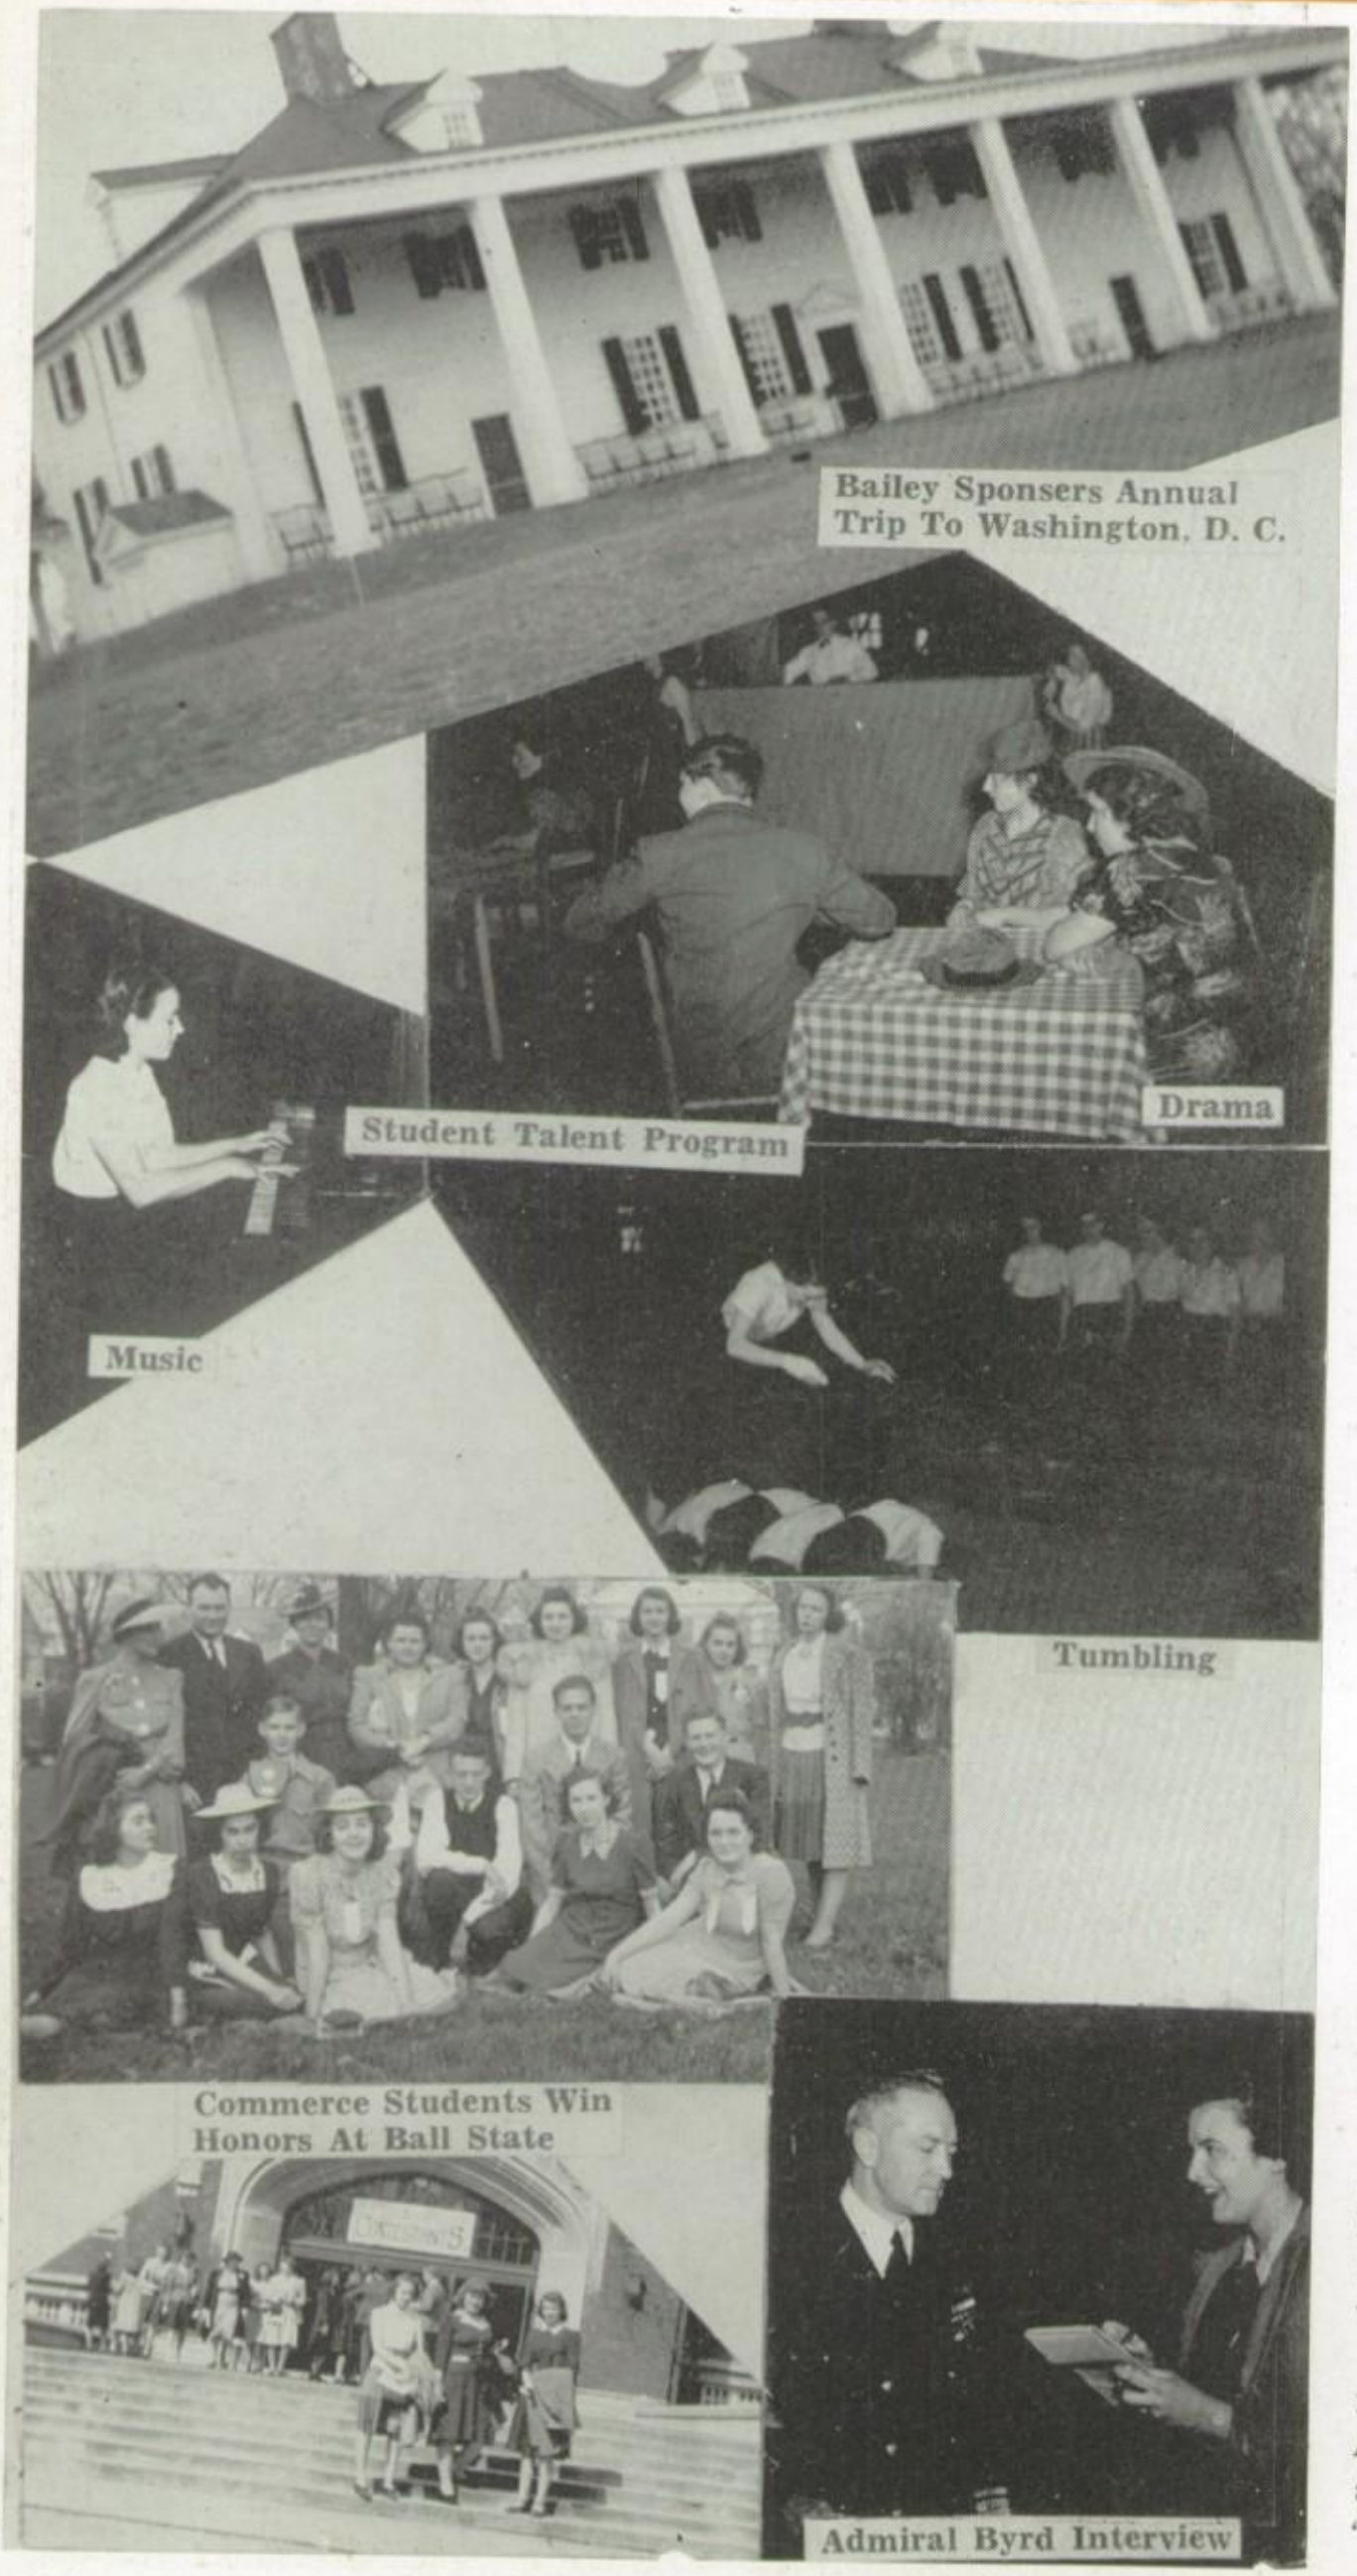
The student body also took a well- earned holiday March 19. An all day celebration was staged marking the official close of the 1940-1941 basketball season.

After the tourney the seniors turned the candy stand over to the junior class. The seniors enjoyed a profitable year. Daily approximately 25 boxes of candy, 8 cases of coco cola, 125 packages of popcorn and 24 pies and cakes were sold.

Music-Art Students Win State Honors

Anderson High School could well be called "the wigwam of champions." In a competition March 21 at Indianapolis seven students representing the art and music departments won honors.

One of the outstanding convocations in March was the address given by Henry Brinton, noted writer and lecturer. He was brought to the student body through the cooperation of Anderson College.



"Spring" vacation better called mid-winter vacation if judged by the weather came during the first week of April. J. J. Bailey conducted his annual Washington, D. C. trip during vacation. Thirty-eight students, teachers, and parents went on his tour.

Convocation Features Student Talent

At the first all-school convocation following spring vacation students were given an opportunity to display their talent. Sam Wilcox, a senior commencement speaker, acted as master of ceremonies. It was revealed in this second talent program of the schcool year that A. H. S. had many musicians, dramatists, singers, dancers, comedians, and skaters of whom it might well be proud. Various clubs in the school had representatives on the program. Some of the clubs which participated include: Hi-Y, Racquet Swingers Club, Latin Club, Dramatics Club, Honorary Society, French Club, K. Y. C. Club, G. A. A., and home room 11.

On April 12, the high school comercial department took part in the commercial contests at Ball State. The bookkeeping team placed second in its contest. The "commercials" succeeded in bringing home two first place awards. Ilene Fortner, a senior, came in first in the Business Knowledge Contest, and Bob Cowgill placed first in individual bookkeeping.

Admiral Byrd Visits Anderson High

April 16 Admiral Richard Byrd, well-known explorer presented a program in the high school gymnasium for all students in Anderson. Admiral Byrd showed movies which he had taken on his first expedition to the South Pole. In addition to showing the flms, he told many of his most interesting experiences. June Kokes was snapped by the "Indian" photographer while interviewing him.

A special convocation was held in the high school auditorium April 14. May Lamberton Becker, author and lecturer, spoke on "New Books".

Gerrie Glover and Paul Billhimer won first place awards in state music contests held at Indiana University April 19. These awards entitle them to state scholarships.

On April 9, another group from the music department represented A. H. S. at Newcastle High School. The Choral Club sang at an exchange program at a Newcastle school convocation.

New Plan for Class Election Used

A new plan for the election of class officers was adopted by the Student Council this year. Students desiring to seek offices gave their names to the eligibility committee of their class. A mass meeting of the various classes was held Monday April 14 and elections were conducted the following day. The new method increased the interest in class elections.

In return for the Choral Club program Newcastle High School sent its pride and joy--the high school band to entertain the student body at a convocation Tuesday.

Carol Stilley gained national recognition for an editorial whch she submitted to the national editorial contest sponsored by the Scholastic. Carol was awarded third place in this national contest which gives her the right to compete for a journalism scholarship to any school of her choice in the country. The X-Ray also recieved journalistic honors. The National Scholastic Press Association awarded it a first-class honor rating. The paper missed All-American ranking by 25 points.

Industrial Exposition Held in Gym

April 25 and 26 the annual industrial exhibition was held in the high school gymnasium. The senior high school department of trades and industries contributed to this exhibit.

"Have you any old clothes, books, jewelry, or other rummage?" This was the frantic appeal that the Student Council made to the student body late in April. On April 26 the Council sponsored a rummage sale to raise money for next years state convention. According to Gordon Fisher, chairman, approximately $50 was made.

Senior Activities Committee

Prom Queen

"What A Life!" If you doubt it ask any member of the cast of this years senior class play. The class of '41 presented Clifford Goldsmith's play by this title Friday May 2 in the high school auditorium. For the first time in many years the senior class play was a complete sell-out.

Members of the cast of the "What A Life" which starred Lewis Gephart as Henry Aldrich included: Jean Julius, Bob Matthew, Vera Clayton, Charles Miller, Burton Canaday, Carolyn Pickering, Berneice Matchett, Kay Hampton, Bruce McArt, George McMahan, John Peterson, Bette Anne Netterville, Bette Schmitz, Raymond Precup, Conrad Gaunt, Lois Ellis, Carol Stilley, Betty Pence, Betty Lou Hamilton, Bob Meyers.

Congratulations Due To Cast Of Play

Congratulations go to each and every member of the cast for putting on a fine play. Orchids to Mr. Boyd for perfect casting and directing. This year's play was a lighter play than has been given in former years and it was enjoyed by all

During the intermission Charles Bailey, president of the class of '42, and Dean Moore, president of the class of '41, presented the new stage curtains to the school.

Tuesday, May 6, the Kiwanis Club presented a handsome plaque to the school on which was the American creed.

On the 17 of May many students from the journalism classes attended the Butler Journalism Field Day at Butler University. The group participated in several panel discussions and contests.

Vivian Morrison Reigns As Queen

Vivian Morrison, that vivacious black haired beauty of the class 1942 was crowned queen of the Junior Prom Thursday evening May 28. Vivian's attendants were Lolita Montgomery and Louise Spiegal.

The prom opened a series of social functions for the seniors. The Senior Activities committee was in charge of drawing up plans for Senior Week, which is to be climaxed by the commencement exercises this Thursday.

INDECO GUIDES TO BETTER ANNUALS

Since the turn of the century the Indianapolis Engraving Company, Inc., has maintained the highest standards of quality and intelligent cooperation, thus accounting for the continuous use of our service by many high schools, colleges and universities.

Indeco quality is the finest that modern equipment and skilled craftsmen can produce. Every engraving is unconditionally guaranteed to be a perfect printing plate and to give a faithful reproduction of your engraving copy.

Our service includes help in planning and designing, suggestions on how to get the best pictorial effects, assistance in preparation of engraving copy, and solving the many problems arising in making your book both an editorial and financial success.

The latest ideas in yearbook construction are offered to make the annual best meet the requirements of your particular school. Our "Service Manual" is a complete guide for the staff in their work.

Indeco planned yearbooks have long been recognized as being among the outstanding annuals of the country. You will be agreeably surprised, too, at the purchasing power of your budget. Write us asking for a complete explanation of the Indeco plan.

THE TOOLS OF A GOOD WORKMAN

To the Class of 1941, congratulations from your neighbor in Anderson . . . Delco-Remy.

You have acquired during your school career the tools you need to fashion a successful and happy life in the business world. These tools consist of your ability to think straight . . . to apply the knowledge you have gained . . . and to maintain the standards of fair play and honesty that you have practiced on the field of sport as well as in the classroom.

Whatever occupation or trade you take up in the future, you will have these tools with you. They will never grow rusty, for they will always be in use
